Orthodontists

The observation phase is a very important part of your orthodontic treatment plan. It allows Dr. Fromer to check how your teeth and jaw grow and develop, and plan for your future orthodontic needs. Timing of your active treatment is critical, and regular check ups with our office during this phase ensures the optimum start of your treatment!

As a member of the
Pee Wee Potamus Club,
you'll visit our office at regular
intervals while in observation.
The club offers you exclusive
benefits including:

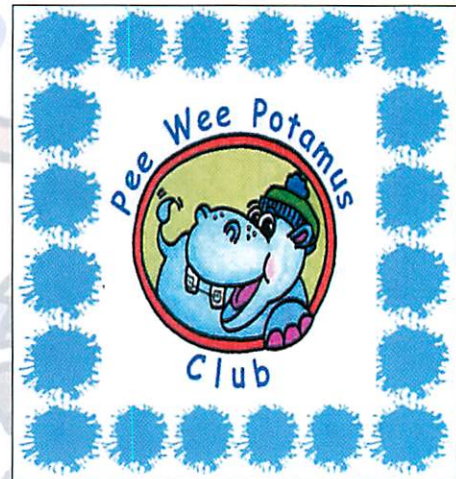

Pee Wee Potamus Rewards Card

Pee Wee Potamus Hat

A special gift the day
you join the club!

Bring your rewards card to
every check up. You'll get a
punch just for coming in for
your appointment!

You can also get punches for:

Good Brushing!

Wearing Your Club Hat!

A Good Report Card-All A's & B's
plus DOUBLE punches
for straight A's!!!

Friend Referral!

Regular Check Ups with your
general dentist - just have him/her
fill out our form!

We have GREAT PRIZES
at the 10 punch level
and the 20 punch level!
